### CONNECT:

- What are the elements of a good team?
- What types of teams are you a part of?

### GROW:

Read 1 Corinthians 12:12–26.

- Pastor Isaiah reminds us that unity is not uniformity. What's the difference?
- God's design for the Body of Christ is one where diversity is not only encouraged but required. Why?
- Where are you fitting into the Body? How are you presently serving? In the past?
- Have you benefitted by the service of others in the Body, either in a visible or nonvisible role? How has this impacted your life?
- With our current situation dealing with COVID, have you been able to remain in fellowship with your local church? In what way? Did you experience a time of being away from this fellowship? What were the effects of that?

### GO:

- If there is NOT unity within your local church, what can you, personally, do to help bring people/attitudes together? Have you seen disunity within the church in the past? What were the results?
