Jesus Is the Light, and We Are to Live as Children of the Light!

1 John 1:1–7

Pastor Jeff Hinds

CONNECT:

- John was roughly 80 years old at the time he wrote 1 John. How have you been blessed by others who continue to serve into advanced age?

GROW:

- Security in Christ is John's primary reason for writing 1 John. What other things do we look to, to provide a sense of security? Have any of those things ever failed you?
- Our fellowship and worship within the local church has changed a lot this year. What types of things have you missed during this time? What is working well?
- READ 1 John 1:6. God is light. If we say we walk with Jesus and we purposefully walk in darkness, we are lying to ourselves and others. What kind of excuses do we sometimes make to justify walking in darkness? Does categorizing it in this way change the way you look at it?
- There was an illustration in the sermon where a homeowner says "I don't care what it costs, please clean it up." What can walking away from sin cost us? What do we gain?

GO:

- What can you change about your routine this week to ensure that you are walking in the light?
