- Read Psalm 63:5–6. What do we spend down time thinking about? How can we grow this week, filling our minds with God-oriented things?
- Read Psalm 133:1. Have you ever been hurt by disunity? How can we work together to get rid of division and divisiveness that might hurt the church? How can we promote unity and peace this week?

GO:

- Before discussing the questions with your small group, take some time to ask God, "Please provide someone for me to serve — give me a chance to run after righteousness this week." In your small group, share how the Lord has answered your prayer, or how He might answer your prayer throughout the coming week.
