A little bit more about DayBreak...

DayBreak is designed specifically for middle school students who are looking to learn ways to bring Jesus into their friendships and everyday conversations. Simply put, this is a trip that will challenge your teen to share their faith within the context of their friendships.

We partner with Sonlife Ministries - (www.sonlife.com) and join together with other youth groups from Wisconsin. Pastor JD Elgin (from Waushara Community Church, Wautoma, WI) and Pastor Jarrod will be doing the training using Sonlife's REVERB material. This is an age appropriate and interactive way to help students learn ways to connect with God through spiritual disciplines and to love their friends well with God's love.

There will be extras as well (snow-shoeing, cross country skiing, crafts, interactive games, and more!) which is all included in the \$115 cost. It will be a great weekend!

We plan on leaving the Highland Wausau Campus at 4pm on Friday and returning around 2pm on Sunday!

If you have any other questions, please contact Pastor Jarrod 715-842-5683 or jstichter@highlandcommunitychurch.com
