

Events and Activities Cancellation Policy

Weekday Activities: If Wausau School district cancels or lets school out early due to weather conditions, then all activities at Highland will be cancelled. If weather conditions are questionable, but Wausau School district does not cancel classes, we will update the website www.highlandcommunitychurch.com homepage as soon as a decision is made, and we will let both 89.5, (89Q) and 88.5, (WGNV) radio stations know.

Sunday Morning: If we ever have to cancel a Sunday Service or Sunday School, we will post the update on our church website (www.highlandcommunitychurch.com). Radio and TV stations are not manned on Sunday mornings so we cannot communicate using this media. It is not our intent to cancel Sunday Services.
